3-2-1 FIT

A total body conditioning class with the use of intervals and weight training to help spice up your workout. 3 minutes of cardio to peak the heart rate, 2 minutes of muscle toning, followed by 1 minute of absolute abs.

BODYATTACK™

A high-energy workout that will push you with strong, simple moves and pumping music. This is the most intense workout you'll find in the world of fitness.

BODYCOMBAT™

This fiercely energetic program is inspired by martial arts and draws from a wide array of disciplines such as Karate, boxing, Taekwondo, Tai Chi and Muay Thai.

BODYFLOW™

A Yoga, Tai Chi, Pilates workout that builds flexibility and strength and leaves you feeling centered and calm. Controlled breathing, concentration and a carefully structured series of stretches, moves and poses to music create a holistic workout that brings the body into a state of harmony and balance.

BODYJAM™

The cardio workout where you are free to enjoy the sensation of dance. An addictive fusion of the latest dance styles and hottest new sounds put the emphasis as much on having fun as on breaking a sweat!

BODYPUMP™

A rapid fat-burning, full-body class using barbells and weights to give you the fastest way to tone and condition muscles.

BODYSULPT A whole body workout that will include strength and toning achieved through high repetition exercises that incorporate body bars and dumbbells.

BODYSTEP™

This energizing step workout that makes you feel liberated and alive. Using a height-adjustable step and simple movements on the step you get huge motivation from great music and energy.

CXWORX™

A short, sharp workout that'll inspire you to the next level of fitness, while strengthening and toning your body. You will tighten your tummy and butt, while also improving functional strength and assisting in injury prevention.

CY-CO

We'll hit the bike hard for 45 minutes, followed by 15 minutes core (CO) work. A quick cool down & stretch leaves you refreshed and ready to take on the day!

FIT FOR LIFE/TNT

Fun, full body workouts geared at improving cardiovascular fitness, total body strength, balance, and flexibility. Options will be given for all levels, low to high impact.

PILATES

A series of controlled movements engaging your body and mind that takes place primarily on the mat. As the Pilates method is extremely adaptable, it is also great for individuals just beginning exercise programs or with somewhat limited mobility and flexibility.

RPM™

The indoor cycling workout where you ride to the rhythm of powerful music. Take on the terrain of hills, flats, time trials and interval training. Discover your athlete within!

SPIN

Indoor cycling is a no-impact, calorie burning workout with invigorating music. Spin is for every level of fitness, from beginner to experienced.

SPRINT

This high intensity workout uses stationary bike resistance to simulate gravity for sprint training, drag for power training, and weight for strength training. You combine bursts of intensity, where you work as hard as possible, with periods of rest that prepare you for the next effort. The payoff? You smash your fitness goals, fast and will continue to burn calories for hours after each workout.

TNT

A complete workout that combines blocks of strength, cardio, and core training. A dynamite workout!

YOGA

Discover the many ways in which yoga can improve your physical health, cultivate your emotional well-being and enrich your spiritual self.
