3-2-1 FIT

A total body conditioning class with the use of intervals and weight training to help spice up your workout. 3 minutes of cardio to peak the heart rate, 2 minutes of muscle toning, followed by 1 minute of absolute abs.

BODYATTACK™

A high-energy workout that will push you with strong, simple moves and pumping music. This is the most intense workout you'll find in the world of fitness.

BODYCOMBAT™

This fiercely energetic program is inspired by martial arts and draws from a wide array of disciplines such as Karate, boxing, Taekwondo, Tai Chi and Muay Thai.

BODYBALANCE™ (formerly BODYFLOW)

A Yoga, Tai Chi, Pilates workout that builds flexibility and strength and leaves you feeling centered and calm. Controlled breathing, concentration and a carefully structured series of stretches, moves and poses to music create a holistic workout that brings the body into a state of harmony and balance.

BODYJAM™

The cardio workout where you are free to enjoy the sensation of dance. An addictive fusion of the latest dance styles and hottest new sounds put the emphasis as much on having fun as on breaking a sweat!

BODYPUMP™

A rapid fat-burning, full-body class using barbells and weights to give you the fastest way to tone and condition muscles.

BODYSTEP™

This energizing step workout that makes you feel liberated and alive. Using a height-adjustable step and simple movements on the step you get huge motivation from great music and energy.

Cycle & Circuit

30 minutes of cardio intervals on the spin bike intermixed with a bodyweight interval, followed with a muscle, balance, and/or core circuit off the bike in the group fitness studio.

CORE™ (formerly CXWORX)

A short, sharp workout that'll inspire you to the next level of fitness, while strengthening and toning your body. You will tighten your tummy and butt, while also improving functional strength and assisting in injury prevention.

FIT FOR LIFE/TNT

Fun, full body workouts geared at improving cardiovascular fitness, total body strength, balance, and flexibility. Options will be given for all levels, low to high impact.

MEDITATION

Beginning meditation basics that can assist in addressing stress, anxiety, and much more, including that inner critic we all have. Easy to learn and practice.

PILATES

A series of controlled movements engaging your body and mind that takes place primarily on the mat. As the Pilates method is extremely adaptable, it is also great for individuals just beginning exercise programs or with somewhat limited mobility and flexibility.

RPM™

The indoor cycling workout where you ride to the rhythm of powerful music. Take on the terrain of hills, flats, time trials and interval training. Discover your athlete within!

RPM™/Barre

30 minutes of indoor cycling where you will ride to the rhythm of the music followed by 30 minutes of Barre work which will work your full body. Barre is a low-impact, muscular endurance workout that is designed to strengthen your body with small isometric movements. In addition to building strength, this full body workout also develops agility and flexibility.

SPIN

Indoor cycling is a no-impact, calorie burning workout with invigorating music. Spin is for every level of fitness, from beginner to experienced.

SPRINT™

This high intensity workout uses stationary bike resistance to simulate gravity for sprint training, drag for power training, and weight for strength training. You combine bursts of intensity, where you work as hard as possible, with periods of rest that prepare you for the next effort. The payoff? You smash your fitness goals, fast and will continue to burn calories for hours after each workout.

Stretch & Mobility

Class will consist of a complete warm up of muscles and joints, will include joint mobility exercises, and a total body stretch. Emphasis will be placed on increasing flexibility and joint mobility, decreasing stiffness, and improving the total body range of motion.

TNT

A complete workout that combines blocks of strength, cardio, and core training. A dynamite workout!

YOGA

Class will promote mind-body connection through breath and alignment based movement to improve strength, balance, posture, flexibility, and to calm the nervous system.

Zumba® Gold

This class is perfect for active older adults who are looking for a modified Zumba® class that recreates the original moves you love at a lower intensity. The design of the class introduces easy-to-follow Zumba® choreography that focuses on balance, range of motion and coordination.
